In visiting this property you will be amazed by the amount of Game animals that you can see in one day. Expect to see over 200 fallow deer a day with some beautiful trophy bucks available. The station is just a 2 hour drive from where you will be based out of in Fairlie but it is well worth the drive. Open rolling hill country with a great road system makes it easy to cover a lot of ground and find just the buck you are after. There are a lot of the black Fallow Deer with a few white and spotted in the mix as well. The fallow would be arguably the best tasting of all of the game animals and will make for some great meat to bring back home with you at the end of the hunt.

This represents a great combination of game animals taking place in a spectacular South Island Location. The almost 6000 acre private hunting concession that we will be using for our free Range red deer hunts carries some fantastic numbers as well as great quality of animals. The property has an extensive road system so it is very easy to move about the property. There is no doubt that you will come away happy after spending 9 days hunting two of New Zealand's most iconic game animals.
