NEW ZEALAND HIMALAYAN BULL TAHR AND NANNY TAHR

\$4500 2X1 PER HUNTER

\$5900 1X1 PER HUNTER

\$2950 NON-HUNTING COMPANION

This hunt takes place on a beautiful property that I was fortunate to hunt on in 2010 and I was blown away by not only the number and quality of game animals but also by the rugged scenic Cass river valley. The 50,000 acre private preserve located in one of the most iconic mountain landscapes in New Zealand Mount Cook and Lake Tekapo will sure to please anyone looking for a classic walk up alpine hunt for Himalayan Tahr that does not employ the use of a helicopter. You will be based out of cabin style accommodation located directly in the middle of the hunting area where you will be glassing Tahr right from the door of the hut. If Hut based accommodation is not for you then there is also the opportunity to be based out of the town of Tekapo just 20 minutes away from the hunting area in a beautiful 4 star luxury lodge based accommodation for just an additional 600.00 per hunter on a 2x1 hunt or 1200.00 per hunter as a 1x1.
